South Asian Pornographies Rated A India Today International India Today Love in Bollywood *Darshana Sreedhar Mini Darshana Sreedhar Mini Deshmukh,*

South Asian Pornographies is the first consolidated volume that explores the relationships between pornography, obscenity, law, and desire in South Asia, focusing on case studies from India, Sri Lanka, and Bangladesh while gesturing towards other countries in South Asia. The authors of this volume come from fields as varied as history, literature, media, and communication, and the visual arts. The book proposes that as a geo-political location, South Asia has a unique relationship to pornography given the multiplicity of cultural and legal censorial regimes that define the obscene and the permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms, finding reflection in various modes of popular and sometimes underground culture, bypassing legal and censorial constraints like questions of identity that can only be answered in the plural. Identities rather than identity: this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of communication studies, cultural studies, film studies, history, sociology, and social and cultural anthropology. The chapters in this book were originally published in the journal *Porn Studies*.

In the 1990s, India's mediascape saw the efflorescence of edgy soft porn films. In the Malayalam-speaking state of Kerala, in particular, Darshana Sreedhar Mini examines the local and transnational influences that shaped Malayalam soft porn cinema, such as vernacular pulp fiction, illustrated erotic tales, and American exploitation cinema.

and maps the genre's circulation among blue collar workers of the Indian diaspora in the middle east where pirated versions circulate alongside low budget Bangladeshi films and Pakistani mujra dance films as South Asian pornography through a mix of archival and ethnographic research. Mini also explores the soft porn industry's utilization of gendered labor and trust based arrangements as well as how actresses and production personnel who are marked by their involvement with a taboo form negotiate their social lives by locating the tense negotiations between sexuality import policy and censorship in contemporary India. This study offers a model for understanding film genres outside of screen space emphasizing that they constitute not just industrial formations but entire fields of social relations and gendered imaginaries.
